### **InnSight HMG Restructures Management at Medford Hotels**

Medford, OR- February 24, 2009- InnSight Hotel Management Group announced that they have hired Steve Vreeken as General Manager of the Medford TownePlace Suites by Marriott. Sandra McLean, who had been General Manager at both the TownePlace Suites by Marriott and the adjacent SpringHill Suites by Marriott, will now focus her attention as General Manager of the SpringHill Suites.

Patrick McShane, Executive Vice President of InnSight, says “Sandra has done an excellent job of managing both hotels since their opening. However, with these challenging economic times, having a general manager at each property will allow them to strengthen our hotels’ standing in the market even more.”

Steve Vreeken has twenty four years of management experience and twelve years of Marriott brand management experience. His hospitality background includes serving as General Manager of the Residence Inn Salem. During his tenure as GM, the property won a number of national awards from Marriott including “Top Operations Hotel” for 2005 and was selected as a 2005 “Diamond Hotel”.

The Medford TownePlace Suites by Marriott and SpringHill Suites by Marriott are two of twelve properties managed by InnSight Hotel Management Group and two of five located in the Medford area. Other local properties include the Courtyard by Marriott Medford Airport, Holiday Inn Express Medford/Central Point and Fairfield Inn by Marriott Medford/Central Point.
